

The tables below illustrate the voting results for the Musculoskeletal 2017 off-cycle measures in which the CSAC voted on endorsement at the May 1, 2017 in-person meeting. Votes were received from 16 out of 17 CSAC members. The CSAC decisions regarding measure endorsement will be final, without ratification by the NQF Board of Directors. The NQF 30-day appeals period will not occur since neither measure was endorsed.
