

NQF Quality Innovation

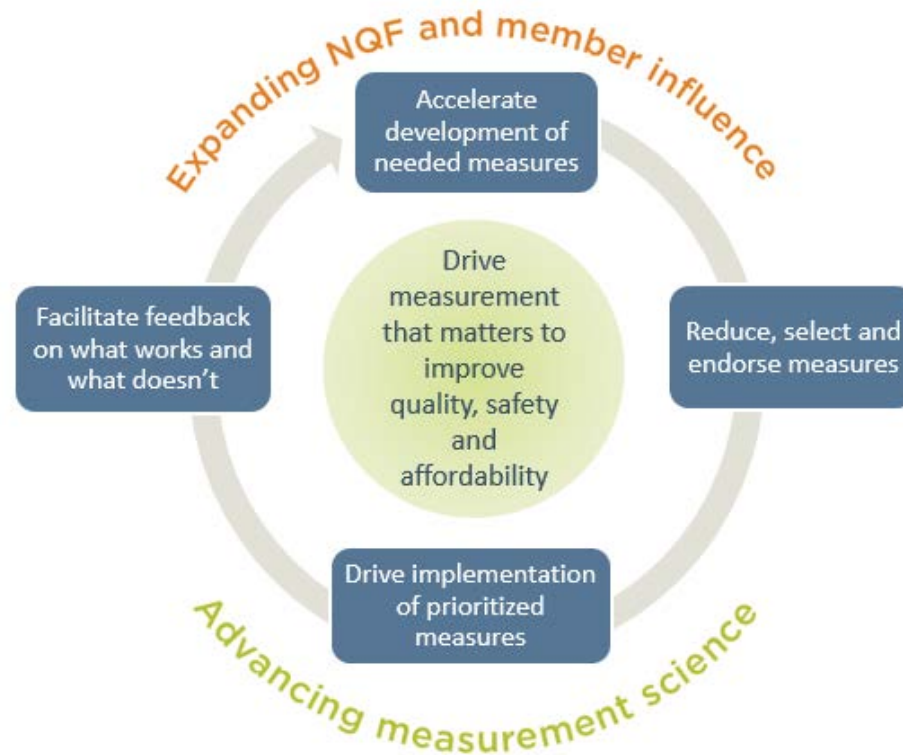

Updating CSAC on National Quality Partners

Kathleen Giblin, Senior Vice President
Wendy Prins, Senior Advisor

November 9, 2016

NQF: Our Mission & Strategic Plan

The National Quality Forum's (NQF) mission is to lead national collaboration to improve health and healthcare quality through measurement.

NQF is diversifying its role to be more proactive. In addition to our core measurement work we will also **lead**, **prioritize** and **collaborate** to drive measurable improvements in healthcare.

NQF: Our Integrated Approach

NQF Quality Innovation

National Quality Partners

NQP LEADERSHIP CONSORTIUM

Provides strategic direction and recommend topics

ACTION TEAMS

Focus on action and implementation using a multistakeholder, collaborative approach

- Maternity Care (2012-2013)
- Readmissions (2012-2013)
- Patient and Family Engagement (2013)
- Antibiotic Stewardship (2015-16)
- Advanced Illness Care (current)
- Depression (coming in 2017)
- Shared Decision-Making (coming in 2017)

NQF's National Quality Partners...

...collaborates through “action teams” to catalyze and accelerate improvement on the priorities and goals of the National Quality Strategy to improve quality, improve health, and reduce healthcare costs

NQF's National Quality Partners...

...maximizes the impact of high-leverage drivers—payment, public reporting, consumer engagement, accreditation, certification, and quality measurement—that each organization brings to bear

National Quality Partners— 2012-14 Action Team Results

MATERNITY ACTION TEAM CONTRIBUTED TO A

73%

national reduction of early elective deliveries (EED) by promoting accountability through accreditation, use of hard stop policies, and consistent messaging about the harms of EED.

The Leapfrog Group Data (2010-2013)

PATIENT FAMILY ENGAGEMENT ACTION TEAM LAUNCHED

a national conversation around the development of the *Patient Passport*, a patient-centered tool to facilitate conversations between individuals, their families, and providers about things that matter to them.

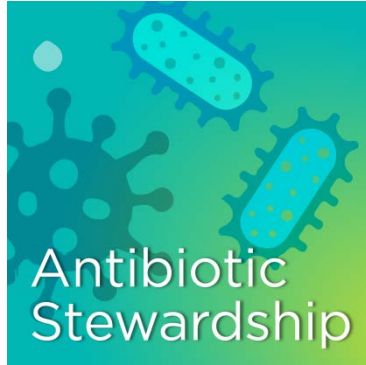

READMISSIONS ACTION TEAM CONTRIBUTED TO A

3.8%

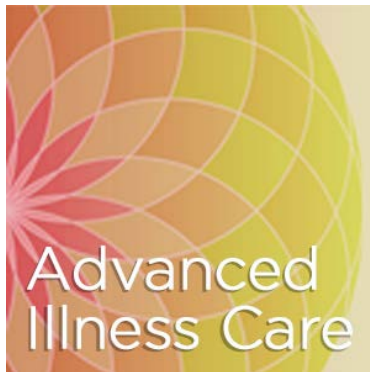

national reduction in readmissions from nursing homes by promoting awareness and driving uptake of patient-focused evidence-based programs in this setting to safely reduce readmissions.

AHCA/NCAL Quality Initiative Skilled Nursing Progress Report, Third Quarter 2013

National Quality Partners— 2015-2016 Action Teams

- Reducing antimicrobial resistance by implementing effective antibiotic stewardship programs across healthcare

- Improving personalized advanced illness care through authentic patient and family engagement around preferences, values, and goals

Events:

- Monthly Action Team Calls, March 2015-June 2016
- Action Team Kickoff Virtual Forum, May 20, 2015
- The Role of Payers and Providers in Promoting Antibiotic Stewardship Virtual Forum, August 13, 2015
- Tweet Chat, November 19, 2015
- Developing a Playbook to Advance Effective Antibiotic Stewardship In-person Forum, December 3, 2015
- NQF Annual Conference Breakout Session on Antibiotic Stewardship, April 7-8, 2016
- Playbook Launch Webinar, May 25, 2016

Exemplar: Antibiotic Stewardship Action Team

Timing

- The Joint Commission new proposed standards
- 2016 Leapfrog Hospital Survey: Public reporting of hospital compliance with CDC Core Elements
- New implementation guidelines from the Infectious Diseases Society of America and the Society for Healthcare Epidemiology of America
- Anthem incorporated an Antibiotic Stewardship measure into its Quality-In-Sights Hospital Incentive Program (Q-HIP[®])
- The Centers for Medicare & Medicaid Services (CMS) released a proposed rule encouraging hospitals to compare their antibiotic prescribing to national benchmarks, and evaluate and improve as needed

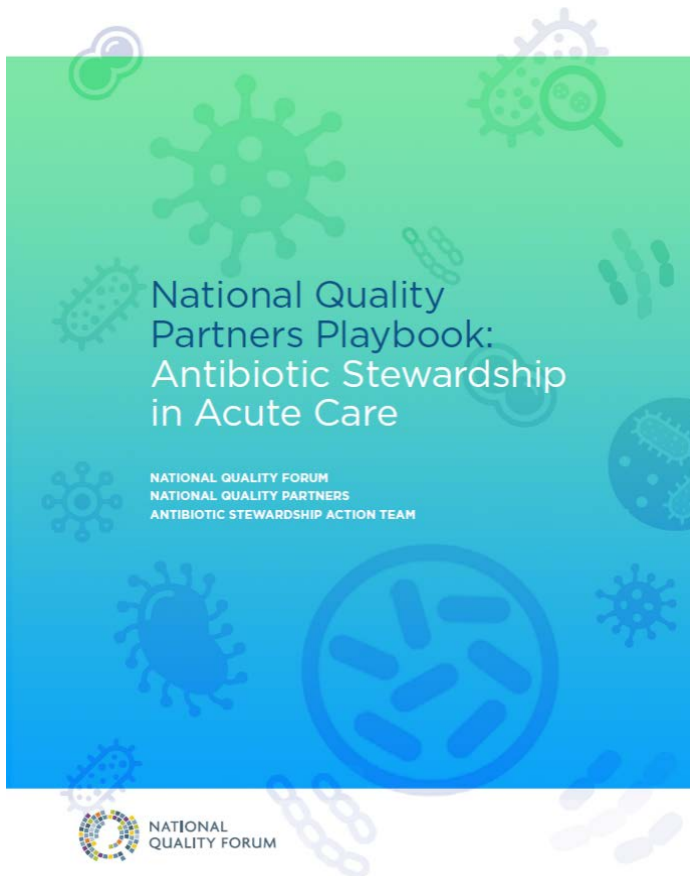

Exemplar: Antibiotic Stewardship Action Team

NQP Playbooks for Antibiotic Stewardship:

- ✓ Acute care (completed)
- Long-term care (conceptual)
- Ambulatory care (conceptual)

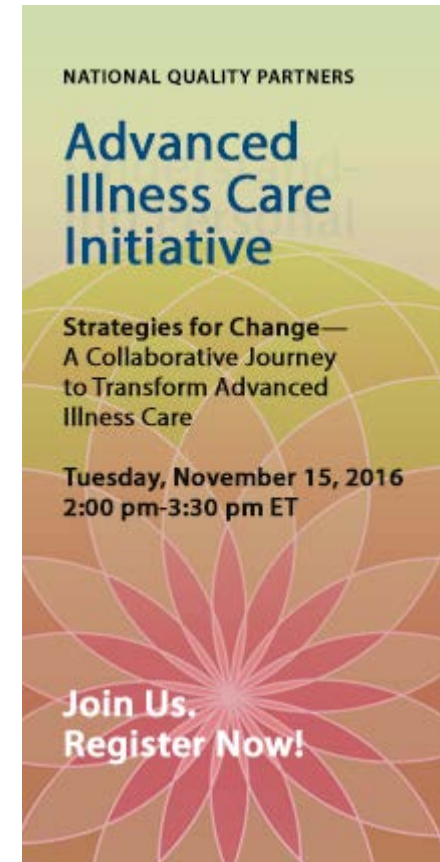

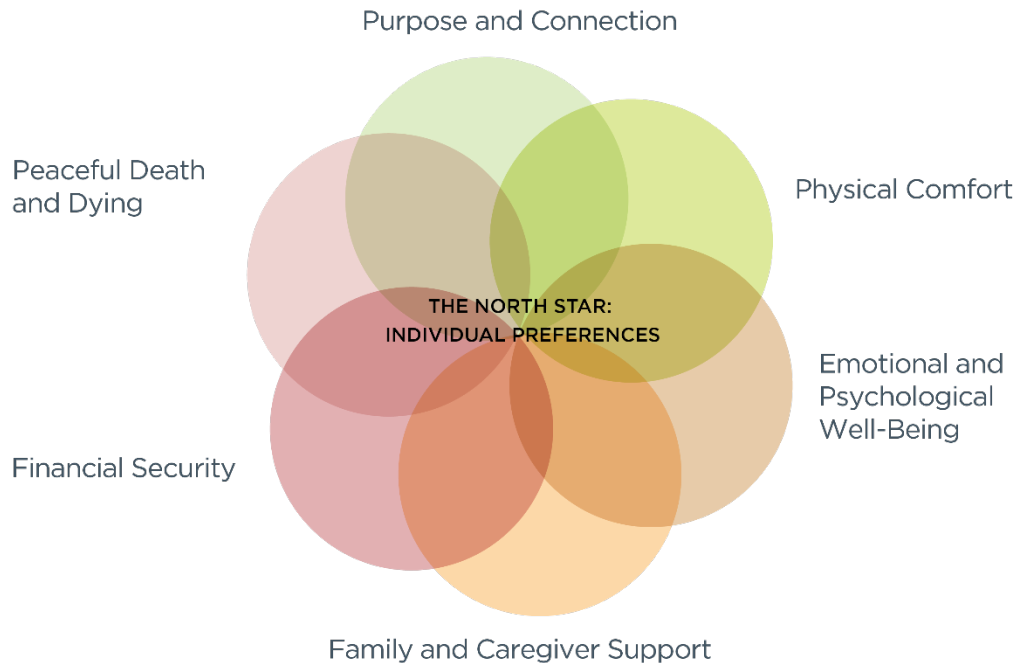

Success to Date:

- Over 20,000 Playbook downloads
- Over 30 media mentions
- Over 200,000 Twitter impressions
- Over 26,000 Twitter accounts reached
- Participation in launch event by over 1,000 individuals from over 725 organizations
- Accredited by AAFP for up to 3.0 CME credit hours

Person-centered Preferences to Guide Advanced Illness Care

NQF: National Quality Partners

Member Engagement Opportunities

LEADERSHIP CONSORTIUM

- Provide strategic direction and recommend topics
- Participation fee \$5,000 per organization *(SOI deadline 11/30)*

2017 ACTION TEAMS

- Participate on a team focused on action and implementation using a multi-stakeholder, collaborative approach
- Participation fees range from \$3,000-\$10,000 per action team
- Current opportunities:
 - **Depression** *(SOI deadline 11/30)*
 - **Shared Decision-Making** *(SOI deadline 11/30)*

SPONSORSHIP

- Provide financial support for ongoing NQP work
 - **Advanced Illness Care Planning** *(ongoing)*
 - **Antibiotic Stewardship in Long-term Care** *(ongoing)*

THANK YOU
