

Appeals Board Voting Results for Appeal of Measure NQF #0500 *Severe Sepsis and Septic Shock: Management Bundle*

The Appeals Board convened for a web meeting on April 29th, 2022, to adjudicate the appeal of the December 1, 2021, Consensus Standards Approval Committee (CSAC) maintenance endorsement decision for NQF #0500 *Severe Sepsis and Septic Shock: Management Bundle*. The tables below provide the results of the Appeals Board votes. The Appeals Board decisions regarding adjudication of the appeal are final.

Appeals Board Meeting Voting Results, April 2022

Criterion 1: Based on the appeal, were there procedural errors reasonably likely to affect the outcome of the original endorsement decision?

NQF ID	Measure Title	Measure Steward/ Developer	Based on the appeal, were there procedural errors reasonably likely to affect the outcome of the original endorsement decision? (Y/N)
0500	Severe Sepsis and Septic Shock: Management Bundle	Henry Ford Hospital	Y: 0 N: 5

Criterion 2: Based on the appeal, is there new information or evidence, which was unavailable at the time the CSAC made its endorsement decision, that is reasonably likely to affect the outcome of the original endorsement decision?

NQF ID	Measure Title	Measure Steward/ Developer	Based on the appeal, is there new information or evidence, which was unavailable at the time the CSAC made its endorsement decision, that is reasonably likely to affect the outcome of the original endorsement decision? (Y/N)
0500	Severe Sepsis and Septic Shock: Management Bundle	Henry Ford Hospital	Y: 0 N: 5

Final Vote: Based on review and discussion of the appeal, do you agree to uphold the CSAC endorsement decision?

NQF ID	Measure Title	Measure Steward/ Developer	Based on review and discussion of the appeal, do you agree to uphold the CSAC endorsement decision? (Y/N)	Outcome of Measure
0500	Severe Sepsis and Septic Shock: Management Bundle	Henry Ford Hospital	Y: N/A N: N/A	Measure Remains Endorsed*

*This vote did not occur, as the Appeals Board determined the appeal did not satisfy either criterion 1 or criterion 2. Therefore, the CSAC endorsement decision is upheld for NQF #0500 *Severe Sepsis and Septic Shock: Management Bundle*.
