## ABOUT NQF

The National Quality Forum (NQF) is a not-for-profit, nonpartisan, membership-based organization working to catalyze improvements in healthcare. Driven by science, collaboration, measurement, and innovation to make care better for all people, NQF brings together multiple, diverse perspectives to advance actions that create measurable impact. Our work helps ensure access to safe, effective, equitable, patient-centered care.

Thanks to our influential membership, NQF is a trusted advisor to the U.S. Department of Health and Human Services and Congress. Leaders and policymakers turn to NQF for unbiased recommendations to address timely and complex healthcare measurement issues that affect millions of Americans.

### OUR MISSION

To be the trusted voice  
driving measurable health  
improvements

### OUR VISION

Every person experiences  
high value care and optimal  
health outcomes

## WHY JOIN?

- Our national community of influential stakeholders helps shape the future of American healthcare and allows you to amplify your organization's impact on the national healthcare quality agenda.
- Support the nationwide movement to promote better, more equitable care, optimal outcomes, and greater accountability, and demonstrate your organization's steadfast commitment to quality improvement.
- All employees in your entire organization will enjoy access to educational webinars, quality measurement expertise, networking opportunities, and other exclusive Member benefits at no additional cost.

**"Being an active member of NQF means unparalleled opportunities to network with and learn from individuals and organizations advancing quality measurement. It's one of the best tools I have to help Leapfrog meet its mission of making giant leaps in safety and quality."**

**MELISSA "MISSY" DANFORTH**

NQF Board of Directors, Vice President, Health Care Ratings,  
The Leapfrog Group – NQF Member Organization since 2001
