

National Quality Partners Leadership Consortium Information

National Quality Partners (NQP) brings together thought leaders and experts from the public and private sectors to take collective action on the nation's highest priority healthcare issues. NQP leads practical, action-orientated initiatives to drive meaningful and lasting change in health and healthcare.

The NQP Leadership Consortium represents a diverse range of perspectives from NQF's membership and is committed to leveraging their collective organizational expertise to address critical healthcare challenges and priorities. The NQP Leadership Consortium:

- Identifies and champions actionable strategies for change based on the policy environment
- Provides strategic direction for NQP's portfolio, including guiding the work of NQP Action Teams
- Informs ongoing work at NQF
- Leverages best practices and novel approaches to improve healthcare for individuals and their family members

If you are selected for the Leadership Consortium, you must complete and return a signed participation agreement. Please contact nationalqualitypartners@qualityforum.org with additional questions.

Before you begin, we recommend reviewing a [sample application \(PDF\)](#) for the information you will need to submit your application. Please have all of the required information available before completing the online application.
