- Public participants dial **(877) 861-7569** to access the audio platform.

Meeting Objectives

- To convene Standing Committee members in order to facilitate a discussion and evaluation of the submitted consensus standards
- Standing Committee members are expected to achieve consensus and based on their detailed evaluation, the Standing Committee may recommend either:
 - A candidate consensus standard continue through the consensus development process toward possible endorsement by NQF; or
 - A candidate standard be returned to the standard steward and/or developer for further development and/or refinement.

1:00 pm
