

Fall 2019 Review Cycle

Behavioral Health and Substance Use Measure Evaluation Recusals

The [NQF CDP Conflict of Interest Policy](#) requires that Committee members identified as having a potential conflict of interest in relation to specific measures must recuse themselves from evaluation and voting on those measures when seated on the Committee.

In the review of disclosure of interests submitted by Committee members, NQF is requiring the following recusals be made during the measure evaluation period.

Measures Under Review (Fall 2019) and Committee Member Recusals

Measure Number	Measure Title	Measure Steward	Committee Member Recusals
