

## Cancer Standing Committee—Strategic Web Meeting

---

The National Quality Forum (NQF) convened the Cancer Standing Committee for a strategic web meeting on September 6, 2019.

### **Welcome, Introductions, and Review of Meeting Objectives**

NQF welcomed the Standing Committee and participants to the web meeting. NQF staff reviewed the meeting objectives.

### **Overview of NQF's Cancer Portfolio and Fall 2019 Cycle**

NQF staff provided an overview of the topic area and the current NQF portfolio of endorsed measures. There are currently 27 endorsed measures in the cancer portfolio. Additionally, NQF previewed the eight maintenance and two new measures that the Committee will be evaluating during the fall 2019 review cycle.

### **Overview of NQF's Measure Evaluation Criteria and Process**

NQF staff provided an overview of the measure evaluation criteria and process for endorsement. Additionally, NQF staff provided an overview on social risk factors as they relate to measure evaluation.

### **Next Steps**

NQF is in the process of scheduling Committee meetings for the fall 2019 review cycle. The Committee orientation web meeting will be held in January 2020, and the in-person measure evaluation meeting will be held at NQF headquarters in Washington, DC in February 2020.
