Proposed Roster - New Appointments

Cardiovascular Standing Committee, Fall 2020

Committee Members

Michael Alexander, MD, MPH, FACC

Senior Medical Director, CIGNA Healthcare
Philadelphia, PA

Dr. Michael Alexander received his MD from Georgetown University School of Medicine. He did his residency in internal medicine at Emory and his cardiology fellowship at Georgetown. He is board certified in internal medicine and cardiology. Dr. Alexander has an MPH from George Washington and is a Fellow of the American College of Cardiology and Diplomate of the American Board of Internal Medicine/Cardiovascular Disease. He practiced for 22 years prior to joining Cigna in 2005. He is a national medical director for cardiology, performing medical necessity review and coverage policy development pertaining to cardiology. Dr. Alexander has served on the faculties of Georgetown, Columbia, and Seton Hall Universities.

Ashley Tait-Dinger, MBA

Director of Analytics, Alternative Payment Models (APM) & Finance, Florida Alliance for Healthcare Value
Winter Springs, FL

With a strong background in finance, IT, and data analytics, Ashley Tait-Dinger, MBA, joined the Florida Alliance for Healthcare Value in 2012. She leads their patient safety and quality activities with The Leapfrog Group and oversees their high priorities of data transparency and payment reform. She previously led the start-up and operation of the Healthcare Information Technology (HIT) Regional Extension Center at the University of Central Florida (UCF) College of Medicine. Ms. Tait-Dinger earned her master's degree in business administration from the Crummer Graduate School of Business at Rollins College and completed a bachelor of science degree in accounting at UCF.

Cardiovascular Proposed Roster

The final approval of this roster is contingent upon the proposed roster commenting period: 1/26/2021 to 2/1/2021. Comments should be submitted via email to cardiovascular@qualityforum.org.
