

## Cost and Efficiency Orthopedic Surgery Technical Expert Panel

### TECHNICAL EXPERT PANEL MEMBERS

#### **Timothy Henne, MD**

Associate Program Director, Spectrum MSU Orthopedic Surgery Residency program,  
Orthopedic Associates of Michigan  
Grand Rapids, Michigan

Dr. Henne is a practicing orthopedic surgeon and has 15 years of experience. He is an assistant clinical professor in Michigan State University's orthopedic residency program, and that program's associate program director. He participates in MARCQI (a total joint registry in Michigan dedicated to improving quality in joint replacement).

#### **Bryan Little, MD**

Specialist in Chief and Chairman, Department of Orthopaedic Surgery Detroit Medical Center,  
Detroit Medical Center  
Detroit, Michigan

Dr. Little started his undergraduate education at the University of Michigan with a bachelor's of science in chemistry, cellular & molecular biology followed by medical school at Wayne State University and residency at Northwestern University, Feinberg School of Medicine. He then completed a fellowship in adult reconstruction at Indiana University Medical School. Dr. Little's academic orthopaedic surgery career started at Henry Ford Hospital where he was senior staff, was on multiple committees, served as the leader of the Total Joints Division, and was a key faculty member of the residency program. He was also voted best teacher of the residency program multiple times. In 2009 he moved to the Detroit Medical Center to become the Vice Chief of Orthopaedic Surgery at Detroit Receiving Hospital and Chief of the Total Joints Division. In 2010, he became Chief of Orthopaedic Surgery at Detroit Receiving Hospital where he ran the Orthopaedic Division until 2016. In 2016 the total joint division was moved to Harper University Hospital, and he subsequently took over as Chief of Orthopaedic Surgery at Harper Hospital. He was named Associate Program Director from Oct 2010 – Feb 2018. In February of 2018, he took over as Specialist in Chief of Orthopaedic Surgery at the Detroit Medical Center and Chair of the DMC/ Wayne State University residency program.

**Anthony Mascioli, MD**

Assistant Professor, University of Tennessee/Campbell Clinic  
Memphis, Tennessee

Anthony Mascioli, MD is an assistant professor at the University of Tennessee/Campbell Clinic. He has a focus on sports medicine as well as knee replacement surgery. He is team physician for the University of Memphis and assistant team physician for the NBA Memphis Grizzlies. He has been in practice with the Campbell Clinic for 10 years. Dr. Mascioli served as the Chairman for the Ad Hoc Committee Outpatient Joint Replacement in 2012. He went on to be the Chairman of the Finance Committee for the Campbell Clinic in 2014 as well as being elected to the board of directors. Currently, he sits on the Campbell Clinic Surgery Center BODs. His current interest lies as Chairman for the Ad Hoc Committee on Clinical Cost at WCC ASC. Dr. Mascioli has given multiple lectures locally and nationally on research and outpatient ASC joint replacement.
