

Leveraging Electronic Health Record (EHR) Sourced Measures to Improve Care Communication and Coordination

May 27, 2021

12:00 pm - 2:00 pm ET

Participant Instructions

Follow the instructions below 15 minutes prior to the scheduled start time.

1. Direct your web browser to the following URL: <https://meetings.ringcentral.com/j/1467154563>
2. Optional Dial-in: (470) 869-2200; passcode 146 715 4563

Meeting Objectives

- Discuss and provide feedback on updates to the Literature Review and the Environmental Scan Report
 - Finalize a consensus definition of care communication and coordination
 - Review themes from the expert interviews
 - Provide feedback on how existing information from the Literature Review can be prioritized in the Environmental Scan Report
- Obtain focused feedback on existing clinical quality measures (CQMs) and electronic health record (EHR)-based tools that may be useful for measure development within EHRs
