

ASPR

Health Care System Readiness

Kevin Yeskey, MD

Principal Deputy Assistant Secretary for Preparedness and Response

Health Care Preparedness: An ASPR Priority

Why do we need a new approach?

Casualty estimates for **21st Century threats** (and some old threats) far **exceed the capacity and capability** of the current health care system

Health care preparedness and response is **fragmented** and **uncoordinated** across jurisdictions

NDMS and HPP **require updating** to meet current challenges

Regional Disaster Health Response System (RDHRS) "Notional"
