SAMPLE BALLOT

MEASURE-BY-MEASURE

0240 **Stroke and Stroke Rehabilitation: Deep Vein Thrombosis (DVT) Prophylaxis for Ischemic Stroke or Intracranial Hemorrhage**

- _____ I approve the measure currently specified
_____ I disapprove the measure currently specified
_____ I abstain from voting on this measure

0241 **Stroke and Stroke Rehabilitation: Anticoagulant Therapy Prescribed for Atrial Fibrillation at Discharge**

- _____ I approve the measure currently specified
_____ I disapprove the measure currently specified
_____ I abstain from voting on this measure

0243 **Stroke and Stroke Rehabilitation: Screening for Dysphagia**

- _____ I approve the measure currently specified
_____ I disapprove the measure currently specified
_____ I abstain from voting on this measure

0244 **Stroke and Stroke Rehabilitation: Rehabilitation Services Ordered**

- _____ I approve the measure currently specified
_____ I disapprove the measure currently specified
_____ I abstain from voting on this measure

0325 **Stroke and Stroke Rehabilitation: Discharged on Antithrombotic Therapy**

- _____ I approve the measure currently specified
_____ I disapprove the measure currently specified
_____ I abstain from voting on this measure

0434 **STK-01: Venous Thromboembolism (VTE) Prophylaxis**

- _____ I approve the measure currently specified
_____ I disapprove the measure currently specified
_____ I abstain from voting on this measure

0435

STK 02: Discharged on Antithrombotic Therapy

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0436

STK-03: Anticoagulation Therapy for Atrial Fibrillation/Flutter

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0437

STK 04: Thrombolytic Therapy

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0438

STK 05: Antithrombotic Therapy By End of Hospital Day Two

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0439

STK-06: Discharged on Statin Medication

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0441

STK-10: Assessed for Rehabilitation

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0467

Acute Stroke Mortality Rate (IQI 17)

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

1952

Time to Intravenous Thrombolytic Therapy

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure
