Proposed Roster

Patient Safety Standing Committee (New Appointment)

Newly Proposed Committee Member

Anne Myrka, RPh, MAT

Director, Drug Safety, Island Peer Review Organization (IPRO)
Lake Success, New York

Anne Myrka, a practicing, NY- and VT-licensed pharmacist with 25 years of experience, serves as IPRO's Director of Drug Safety. Ms. Myrka leads the Preventing and Reducing Adverse Drug Events task in NY and a special innovation project that focuses on reducing opioid-related adverse events through a community pharmacy intervention. Relevant experience includes design of a hybrid electronic clinical quality measure utilizing electronic health record drug data and Medicare Fee for Service claims data to identify and track opioid-related adverse drug events and a set of outpatient opioid utilization measures, including identification of opioid use disorder medication assisted therapy.

Patient Safety Proposed Roster

The final approval of this roster is contingent upon the proposed roster commenting period:
12/27/2019 to 1/2/2020. Comments should be submitted via email to patientsafety@qualityforum.org.
