SAMPLE BALLOT

MEASURE-BY-MEASURE

0431

Influenza Vaccination Coverage Among Healthcare Personnel

- I approve the measure currently specified
- I disapprove the measure currently specified
- I abstain from voting on this measure

0522

Influenza Immunization Received for Current Flu Season (Home Health)

- I approve the measure currently specified
- I disapprove the measure currently specified
- I abstain from voting on this measure

0226

Influenza Immunization in the ESRD Population (Facility Level)

- I approve the measure currently specified
- I disapprove the measure currently specified
- I abstain from voting on this measure

0039

Flu Shots for Adults Ages 50 and Over

- I approve the measure currently specified
- I disapprove the measure currently specified
- I abstain from voting on this measure

0041

Influenza Immunization

- I approve the measure currently specified
- I disapprove the measure currently specified
- I abstain from voting on this measure

1659

Influenza Immunization

- I approve the measure currently specified
- I disapprove the measure currently specified
- I abstain from voting on this measure

0043

Pneumonia vaccination status for older adults

- I approve the measure currently specified
- I disapprove the measure currently specified
- I abstain from voting on this measure

0629

Male Smokers or Family History of Abdominal Aortic Aneurysm (AAA) - Consider Screening for AAA

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

1653

Pneumococcal Immunization (PPV 23)

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0525

Pneumococcal Polysaccharide Vaccine (PPV) Ever Received (Home Health)

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0038

Childhood Immunization Status

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0034

Colorectal Cancer Screening

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0033

Chlamydia screening in women

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0032

Cervical Cancer Screening

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0579

Annual cervical cancer screening or follow-up in high-risk women

I approve the measure currently specified
I disapprove the measure currently specified
I abstain from voting on this measure

0037

Osteoporosis testing in older women

- I approve the measure currently specified
- I disapprove the measure currently specified
- I abstain from voting on this measure

0046

Osteoporosis: Screening or Therapy for Women Aged 65 Years and Older

- I approve the measure currently specified
- I disapprove the measure currently specified
- I abstain from voting on this measure

0614

Steroid Use - Osteoporosis Screening

- I approve the measure currently specified
- I disapprove the measure currently specified
- I abstain from voting on this measure

0617

High Risk for Pneumococcal Disease - Pneumococcal Vaccination

- I approve the measure currently specified
- I disapprove the measure currently specified
- I abstain from voting on this measure
