To participate remotely, follow the instructions below approximately five minutes before the scheduled start time.

1. Direct your web browser to the following URL:
http://nqf.commpartners.com/se/Rd/Mt.aspx?672674

2. You will be prompted to enter your name, location (optional) and email address. Then click on "Click here to enter presentation."

3. To join the call: Participant Line: 877-224-4655   Participant Passcode: 9357093789

PRIOR TO THE EVENT, please test your computer. Go to http://www.myeventpartner.com/system_test and take the browser test. You should see a green dot and a message that reads "You have passed the system test!" (You do not need to take the sound test since the audio portion of this program will be offered via the telephone.) If, during the test, the system requests access to your microphone or camera, click "Deny."

In addition to taking the test above, it is recommended that you make the following changes to your computer settings in preparation for this event.
- Disable all pop-up blockers.
- Set internet and cookies security to low.
- Set screen resolution to 1024 x 768 or lower.
- Un-block pop-ups temporarily. To do this, open a web browser window. From the "Tools" menu at the top of the window, choose "Internet Options." Select the "Privacy" tab and un-check the box next to "Block pop-ups." Click "Apply" and then "Ok." On the day of the event, you may need to open your web browser and disable your pop-up blocker from here as well.
