

Renal Fall 2022 Measure Evaluation Recusals

The National Quality Forum (NQF) [Consensus Development Process \(CDP\) Conflict of Interest Policy](#) requires that Standing Committee members identified as having a potential conflict of interest in relation to specific measure(s) under endorsement review must recuse themselves from the evaluation discussions and voting on the respective measure(s) when seated on the Standing Committee. Based on measure-specific disclosures of interest, the following members are recused from the discussion and voting on the measures listed below.

Standing Committee Member Recusals
