

BIOS OF THE MAP POPULATION HEALTH TASK FORCE

CHAIR (VOTING)

Bobbie Berkowitz, PhD, RN, CNAA, FAAN

Bobbie Berkowitz is currently the Dean and Mary O'Neil Munding Professor of Nursing at Columbia University School of Nursing and Senior Vice President of the Columbia University Medical Center. She was previously the Alumni Endowed Professor of Nursing and Chair of the Department of Psychosocial and Community Health at the University Of Washington School Of Nursing and Adjunct Professor in the School of Public Health and Community Medicine. In addition, she served as a Consulting Professor with Duke University and the University of California at Davis. Dr. Berkowitz directed the NIH/NINR funded Center for the Advancement of Health Disparities Research and the National Program Office for the RWJF funded Turning Point Initiative. She joined the faculty at the University of Washington after having served as Deputy Secretary for the Washington State Department of Health and Chief of Nursing Services for the Seattle-King County Department of Public Health. Dr. Berkowitz has been a member of the Washington State Board of Health, the Washington Health Care Commission, the board of the American Academy of Nursing, and chaired the Board of Trustees of Group Health Cooperative. She serves on a number of editorial boards, including the *Journal of Public Health Management and Practice*, *Policy, Politics, and Nursing Practice*, and as Associate Editor of *Nursing Outlook*. Dr. Berkowitz is an elected Fellow in the American Academy of Nursing and elected member of the Institute of Medicine. She holds a Ph.D. in Nursing Science from Case Western Reserve University and Master of Nursing and Bachelor of Science in Nursing from the University of Washington. Her areas of expertise and research include public health systems and health equity.

ORGANIZATIONAL MEMBERS (VOTING)

AMERICAN ACADEMY OF NURSE PRACTITIONERS

Diane Padden, PhD, CRNP, FAANP

Dr. Padden is Vice President for Research, Education and Professional Practice at AANP. Prior to AANP she was an Associate Professor at the Uniformed Services University (USU) in Bethesda, MD where she held several leadership positions. Dr. Padden has been a Family Nurse Practitioner since 1994 practicing in both private and public settings with a focus on health promotion and health prevention of the entire family. She has conducted several research studies focusing on stress, coping and health promoting behaviors in spouses of service members. She is an expert in education and curriculum design with over fourteen years' experience in nurse practitioner education. She is a site evaluator for the Commission on Collegiate Nursing Education (CCNE) conducting accreditation visits at Schools of Nursing seeking accreditation. She has inducted as a Fellow in the American Association of Nurse Practitioners in 2010. She received outstanding research abstract for AANP in 2011 and holds several other teaching awards. Dr. Padden received her BSN from the State University of New York, her master's degree from Emory University, and her PhD from The Catholic University of America.

AMERICAN GERIATRICS SOCIETY

Jennie Chin Hansen, RN, MS, FAAN

Jennie Chin Hansen is CEO of the American Geriatrics Society and immediate past President of AARP. The AGS is the nation's leading membership organization of geriatrics healthcare professionals, whose shared mission is to improve the health, independence and quality of life of older people. As a pivotal force in shaping practices, policies and perspectives in the field, the Society focuses on: advancing eldercare research; enhancing clinical practice in eldercare; raising public awareness of the healthcare needs of older people; and advocating for public policy that ensures older adults access to quality, appropriate, cost-effective care. In 2005, Hansen transitioned after nearly 25 years with On Lok, Inc., a nonprofit family of organizations providing integrated, globally financed and comprehensive primary, acute and long-term care community based services in San Francisco. The On Lok prototype became the 1997 federal Program of All Inclusive Care to the Elderly (PACE) Program into law for Medicare and Medicaid. PACE now has programs in 30 states. In May 2010, she completed her two year term as President of AARP during the national debate over health care reform, in addition to, the other six years she was on AARP's national board of directors. Since 2005, she has served as federal commissioner of the Medicare Payment Advisory Commission (MedPAC). In 2010 she served as an IOM member on the RWJ Initiative on the Future of Nursing. She currently serves as a board member of the SCAN Foundation and a board officer of the National Academy of Social Insurance. In 2011 she begins as a board member of the Institute for Healthcare Improvement (IHI). Jennie has received multiple awards over the years including the 2003 Gerontological Society of America Maxwell Pollack Award for Productive Living, a 2005 Administrator's Achievement Award from the Centers for Medicare and Medicaid Services, and an honorary doctorate from Boston College in 2008.

AMERICAN SPEECH-LANGUAGE-HEARING ASSOCIATION

Robert C. Mullen, MPH

Biography currently unavailable.

BLUE CROSS BLUE SHIELD OF MASSACHUSETTS

Wei Ying

Wei Ying, MD, MS, MBA, is Senior Director, Performance Measurement Methods and Population Health at Blue Cross Blue Shield of Massachusetts. In this role, she oversees a broad range of health outcomes research that includes gaps in care opportunities, healthcare utilization trends, medication adherence, disease prevalence and population based disease burden analysis, patient health status comparisons, comparative effectiveness analysis on healthcare interventions, and hospital readmissions. Her work also focuses on assessing the feasibility of bringing newly endorsed clinical measures into physician/hospital incentive programs as well as member engagement strategy. She is also actively involved in the quality measurement component of BCBSMA Alternative Quality Contract (AQC), a global budget, provider risk contract model launched in 2009 with the twin goals of improving quality and outcomes while significantly slowing spending growth. Wei graduated from Medical school in China, earned her Master Degree in Biometrics from State University of NY at Albany and received her M.B.A degree from Boston University with concentration in Health Care Management.

BUILDING SERVICES 32BJ HEALTH FUND

Barbara Caress

Barbara Caress has over 25 years of experience as a non-profit and public agency manager, consultant and administrator. She is currently Director of Strategic Policy and Planning for the SEIU Local 32BJ Health, Pension, Legal and Training Funds, which provide benefits to 250,000 people living in seven states. She directs the Funds' research and planning efforts and staffs the Trustees' committees on health insurance, benefits and reform. Under her direction the 32BJ Health Funds have undertaken a

substantial re-design effort dedicated to developing incentives for members to use, and providers to offer, patient centered medical homes and other certified quality providers. Ms Caress spent many years as a health care consultant working for such clients as the New York City and State Health Departments, the Community Service Society, Local 1199 and the United Hospital Fund. She is currently a member of NCQA's Standards Committee and the NYC Primary Care Improvement Project Advisory Board. Author of a wide range of health policy reports and reviews, Ms Caress received her undergraduate and graduate education at the University of Chicago and is currently an adjunct faculty member at the School of Public Affairs, Baruch College, CUNY.

CHILDREN'S HOSPITALS AND RELATED INSTITUTIONS

Andrea Benin, MD

Andrea L. Benin, MD is Senior Vice-President, Quality and Patient-Safety for the Connecticut Children's Medical Center as well as Assistant Professor of Pediatrics, University of Connecticut School of Medicine. In this role, Dr Benin drives the agenda and activities to provide the highest quality, safest care for children in Connecticut. Dr. Benin is a pediatrician with background and training in informatics, public health, epidemiology, and infectious diseases. Dr. Benin has particular expertise in developing, validating, and measuring metrics of quality of care – in both paper and electronic formats. Her previous position was as System Executive Director, Performance Management for the Yale New Haven Health System and Quality and Safety Officer, Yale-New Haven Children's Hospital as well as Assistant Clinical Professor, Pediatrics, Yale School of Medicine in New Haven, Connecticut. In that role, she oversaw the quality and safety activities for the three-hospital Yale New Haven Health System as well as the Children's Hospital. Dr. Benin has served on and continues to serve on multiple peer-review groups and study sections as well as several national steering committees.

CONSORTIUM FOR CITIZENS WITH DISABILITIES

E. Clarke Ross, DPA

Clarke has worked 40 years with six national mental health and disability organizations. He currently is the public policy director for the American Association on Health and Disability (AAHD) and was the 2011-2012 Chair of the "Friends of NCBDDD" (National Center on Birth Defects and Developmental Disabilities) at CDC (Centers for Disease Control and Prevention) Advocacy Coalition, having previously served as the Friends chair. He is a 2013-2014 Member of the ONC (Office of the National Coordinator for Health Information Technology) Health IT Policy Committee, Consumer Empowerment Workgroup. He is a member of the SAMHSA Wellness Campaign Steering Committee. Clarke represents the Consortium for Citizens with Disabilities (CCD) on the NQF MAP work group on persons dually eligible for Medicare and Medicaid. His work history includes Chief Executive Officer of CHADD – Children and Adults with Attention-Deficit/Hyperactivity Disorder; Deputy Executive Director for Public Policy, NAMI – National Alliance on Mental Illness; Executive Director, American Managed Behavioral Healthcare Association (AMBHA); Assistant Executive Director for Federal Relations and then Deputy Executive Director, National Association of State Mental Health Program Directors (NASMHPD); and Director of Governmental Activities, UCPA – United Cerebral Palsy Associations (UCPA). His doctorate is in public administration (D.P.A.) from The George Washington University, class of 1981. He is the father of a 22-year-old son with special challenges.

KAISER PERMANENTE

Amy Compton-Phillips, MD

Amy Compton-Phillips is a Midwestern born, East Coast trained and West Coast by nature internist, now serving as physician leader of Quality for the Permanente Federation, the physician arm of Kaiser

Permanente. Knowing that efficient, effective, reliable, compassionate care is what patients deserve, is what keeps her motivated to support KP in living up to its potential. Focus areas include improving system wide hospital and surgical care, spreading innovations in quality and safety in the ambulatory environment, and leveraging our IT systems to develop innovative options transforming care delivery.

LEADINGAGE (FORMERLY AAHSA)

Cheryl Phillips, MD, AGSF

Cheryl Phillips, MD is Senior VP of Advocacy at LeadingAge (formerly the American Association of Homes and Services for the Aging). Prior to joining LeadingAge, she was Chief Medical Officer of On Lok Lifeways, the parent to the PACE (Program of All-inclusive Care for the Elderly) model that serves nursing home eligible seniors in the greater San Francisco bay area. Dr. Phillips is the past president of the American Geriatrics Society, the national organization for geriatric health care professionals, and the past president of the American Medical Directors Association, an organization for physicians in long-term care. Dr. Phillips has served on multiple national boards and advisory groups for chronic care including the CMS Technical Expert Panel on Quality Indicators in Long-Term Care, the NCQA Geriatric Measurement Advisory Panel, and the CMS Technical Advisory Panel for Independence at Home Demonstration. She has twice provided testimony to the U.S. Senate Special Committee on Aging. In 2005, she was appointed by Governor Schwarzenegger as a governor's delegate to the White House Conference on Aging, and is a Governor's appointee to the California Commission on Aging and the California Olmstead Committee. In 2002, she served as one of 30 fellows for the Primary Health Care Policy Fellowship under Secretary Tommy Thompson, Department of Health and Human Services. Dr. Phillips completed her family practice residency and geriatric fellowship at the University of California, Davis.

MINNESOTA COMMUNITY MEASUREMENT

Christine Norton, MA

Christine Norton was diagnosed with breast cancer in 1990 at age 44. Just nine months after her diagnosis, Chris' advocacy began. She was the Minnesota State Captain for the "Do the Write Thing" letter-writing campaign that was spearheaded by the newly formed National Breast Cancer Coalition (NBCC) to urge Congress and President George H.W. Bush to increase breast cancer research funding. In October 1991, Chris and Cher Johnson co-founded the Minnesota Breast Cancer Coalition to continue to build on the momentum generated by "Do the Write Thing." Chris is also on the Executive Committee of the Board of the NBCC. She was on the Scientific Advisory Board of the Avon Foundation for six years, and is currently on the Board of the Piper Breast Center and the Board of the Breast Cancer Awareness Association. Chris has served as a peer-reviewer on scientific grants for the Department of Defense, the National Cancer Institute, the Avon Foundation, the University of Minnesota and the Komen Foundation. Chris retired in 2005 after nearly 40 years as a high school English teacher. She and her husband have three children and two grandchildren.

ST. LOUIS AREA BUSINESS HEALTH COALITION

Karen Roth, RN, MBA, CPA

Karen Roth is the Director of Research at the St. Louis Area Business Health Coalition (BHC). The coalition's mission is to support employer efforts to improve the well-being of their enrollees and enhance the quality and overall value of their investments in health benefits. Since joining BHC, Ms. Roth has authored numerous reports on the health care market in St. Louis, a five-year study on the effect of Missouri Medicaid cutbacks on the health care delivery system, and consulted on regional and

national studies on hospitals. Her reports on the St. Louis health care market are featured on the Robert Wood Johnson Foundation's "Comparing Health Care Quality: A National Directory" website. She has been quoted in numerous articles published by the St. Louis Post-Dispatch and other local publications. She has served on the Missouri Health Department's community-partnership and other committees and currently serves as clinical measure steward for the Midwest Health Initiative. Prior to joining the BHC, Ms. Roth served as Manager of Medical Management Data and Analysis for WellPoint. She holds an RN from Barnes Hospital School of Nursing, an MBA from Washington University and is a CPA. Her background in nursing and finance led to her involvement with the Washington University Physician Network to develop WellPoint's first physician incentive bonus program based on evidence-based quality metrics and patient satisfaction results. Her hobbies include studying French and German and enjoys being outdoors whenever possible to swim, bike and garden. She currently resides in St. Louis with her husband Langdon and son Peter.

INDIVIDUAL SUBJECT MATTER EXPERT MEMBERS (VOTING)

DISPARITIES

Luther T. Clark, MD

Luther Clark, MD, is global director for scientific affairs, atherosclerosis, global center for scientific affairs, in the office of the chief medical officer at Merck. Prior to joining Merck, Dr. Clark was chief of the division of cardiovascular medicine and professor of clinical medicine at the State University of New York Downstate Medical Center and Kings County Hospital Center in Brooklyn, NY. Dr. Clark was also director and principal investigator of the National Institutes of Health (NIH) supported Brooklyn Health Disparities Research Center. He is a fellow of the American College of Cardiology and American College of Physicians, a member of the Council of the New York State Chapter of the American College of Cardiology, a member of the National Medical Association, and a member of the Association of Black Cardiologists. Dr. Clark earned his bachelor of arts from Harvard College and his medical degree from Harvard Medical School.

HEALTH IT

Dana Alexander, RN, MSN, MBA

Dana Alexander brings more than 25 years of clinical practice (RN and Nurse Practitioner), healthcare system experience to include academic, IDN, and community hospitals with responsibilities that spanned the care continuum (long-term care, post-acute care, home health, hospice, behavioral health and other specialty services). She leverages both professional nursing practice knowledge and health system operational experience to develop strategic planning initiatives and redesign of clinical business processes that result in improved quality, patient safety and reduced costs. Ms. Alexander is actively involved with analysis of standardizing and harmonizing quality data needs from an eMeasure perspective to include implementation challenges.

MENTAL HEALTH

Rhonda Robinson-Beale, MD

Rhonda Robinson Beale, MD, has more than 30 years' experience in the fields of managed behavioral healthcare and quality management. She is the chief medical officer of OptumHealth Behavioral Solutions (formerly United Behavioral Health). Before joining United, she served as the senior vice president and chief medical officer of two prominent organizations, PacifiCare Behavioral Health (PBH) and CIGNA Behavioral Health. As a highly respected member of the behavioral health community, Dr. Robinson Beale has been involved extensively with the National Committee for Quality Assurance (NCQA), National Quality Forum, and the Institute of Medicine. Dr. Robinson Beale was a member of the committee that produced *To Err is Human: Building a Safer Health System* and *Crossing the Quality Chasm: A New Health System for the 21st Century*. Dr. Beale served over 8 years on Institute of Medicine's (IOM) Neuroscience and Behavioral Health and Health Care Services Boards. She serves as a committee member and consultant to various national organizations such as NQF, NCQA, NBBGH, NIMH, SAMHSA, and is a past Board Chair of the Association for Behavioral Health and Wellness.

NURSING

Gail Stuart, PhD, RN

Dr. Gail Stuart is dean and a tenured Distinguished University Professor in the College of Nursing and a professor in the College of Medicine in the Department of Psychiatry and Behavioral Sciences at the Medical University of South Carolina. She has been at MUSC since 1985 and has served as Dean of the

College of Nursing since 2002. Prior to her appointment as Dean, she was the director of Doctoral Studies and coordinator of the Psychiatric-Mental Health Nursing Graduate Program in the College of Nursing. She was also the Associate Director of the Center for Health Care Research at MUSC and the administrator and Chief Executive Officer of the Institute of Psychiatry at the Medical University where she was responsible for all clinical, fiscal, and human operations across the continuum of psychiatric care. She received her Bachelor of Science degree in nursing from Georgetown University, her Master of Science degree in psychiatric nursing from the University of Maryland, and her doctorate in behavioral sciences from Johns Hopkins University, School of Hygiene and Public Health. Dr. Stuart has taught in undergraduate, graduate, and doctoral programs in nursing. She serves on numerous academic, corporate, and government boards and represents nursing on a variety of National Institute of Mental Health policy and research panels, currently serving on the NINR Advisory Council. She is a prolific writer and has published numerous articles, chapters, textbooks, and media productions. Most notable among these is her textbook, *Principles and Practice of Psychiatric Nursing*, now in its 10th edition, which has been honored with four Book of the Year Awards from the *American Journal of Nursing* and has been translated into 5 languages. She has received many awards, including the American Nurses Association Distinguished Contribution to Psychiatric Nursing Award, the Psychiatric Nurse of the Year Award from the American Psychiatric Nurses Association, and the Hildegard Peplau Award from the American Nurses Association.

RURAL HEALTH

Ira Moscovice, PhD

Dr. Moscovice is the Mayo Professor and Head of the Division of Health Policy and Management at the University of Minnesota School of Public Health. He is director of the University of Minnesota Rural Health Research Center funded by the Federal Office of Rural Health Policy (ORHP). He has written extensively on issues related to rural health care and use of health services research to improve health policy decision making in state government. Dr. Moscovice is one of the leading rural health services researchers in the nation and was the first recipient of the National Rural Health Association's Distinguished Researcher Award in 1992. In 2002, he received a Robert Wood Johnson Foundation Investigator Award in Health Policy Research and in 2004 he served as a member of the Future of Rural Health Care Panel of the Institute of Medicine, National Academies. Dr. Moscovice has served as the principal investigator for numerous rural health studies funded by, among others, ORHP, the Centers for Medicare and Medicaid Studies, AHRQ, the Robert Wood Johnson Foundation, and the U.S. Department of Veterans Affairs. His current research interests include the quality of rural health care, the evaluation of alternative rural health care delivery systems, hospice and end-of-life care for rural Medicare beneficiaries, technology diffusion in rural areas, and the implementation and the assessment of rural health networks.

SUBSTANCE ABUSE

Mady Chalk, MSW, PhD

Mady Chalk, Ph.D. is the Director of the Center for Policy Analysis and Research at the Treatment Research Institute (TRI) in Philadelphia, PA. The Center focuses on translation of research into policy, particularly focused on quality improvement and standards of care, new purchasing strategies for treatment services, implementation and evaluation of performance-based contracting, and integrated financing for treatment in healthcare settings. The Center also supports the Mutual Assistance Program for States (MAPS) which provides an arena in which States and local policy makers, purchasers, elected officials, and treatment providers meet with clinical and policy researchers to exchange ideas and develop testable strategies to improve the delivery of addiction treatment. Prior to becoming a member

of the staff of TRI, for many years Dr. Chalk was the Director of the Division of Services Improvement in the Federal Center for Substance Abuse Treatment (CSAT)/Substance Abuse and Mental Health Services Administration (SAMHSA). For 15 years before coming to the Washington area, Dr. Chalk was a faculty member in the Yale University School of Medicine, Department of Psychiatry and the Director of the Outpatient /Community Services Division of Yale Psychiatric Institute. She received her Ph.D. in Health and Social Policy from the Heller School at Brandeis University.

FEDERAL GOVERNMENT MEMBERS (NON-VOTING, EX OFFICIO)

AGENCY FOR HEALTHCARE RESEARCH AND QUALITY (AHRQ)

Pamela L. Owens, PhD

Pamela Owens, PhD, is a senior research scientist with CDOM, within the Agency for Healthcare Research and Quality (AHRQ). Dr. Owens co-lead the development and maintenance of the AHRQ Quality Indicators. She helps with the design, management and dissemination of ambulatory surgery and emergency department data through the [Healthcare Cost and Utilization Project](#) (HCUP) and serves as a liaison to HCUP Partners. Dr. Owens also co-leads the development of the desktop software tool—[MONAHRQ](#)—which allows organizations to easily generate a health care reporting Website using their own data or publicly available measures. Dr. Owens' research experience and interests span a wide array of topic areas, including the quality of care for children, treatment of mental health conditions, quality of care in the ambulatory surgery settings, quality of emergency care for low-income populations, hospital readmissions, and comparative effectiveness research. Her work has appeared in journals such as the *Journal of the American Medical Association*, *Medical Care*, *Health Services Research*, *Annals of Internal Medicine*, *Pediatrics*, *Academic Pediatrics*, *Ambulatory Pediatrics*, *Academic Emergency Medicine*, *Annals of Emergency Medicine*, *Psychiatric Services*, *Journal of the American Academy of Child and Adolescent Psychiatry*, and *Journal of Preventive Medicine*. Dr. Owens received a Ph.D. in epidemiology and health policy from Yale University and completed a post-doctoral fellowship at Johns Hopkins Bloomberg School of Public Health. She also has six years of clinical experience as an occupational therapist.

CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC)

Peter Briss, MD, MPH

Dr. Peter Briss currently serves as the Medical Director of CDC's National Center for Chronic Disease Prevention and Health Promotion. He has been with CDC and the Commissioned Corps of the US Public Health Service for more than 20 years. He has participated in a broad range of cross-disciplinary research and service particularly involving systematic reviews, evidence-informed practice, program evaluation, policy analysis, and research translation. He has applied these interests across a broad range of health and behavioral topics ranging from health care to community prevention. He has participated in public health teaching, practice, and research at state and federal levels in the U.S. and internationally. Dr. Briss received his medical degree and training in internal medicine and pediatrics at the Ohio State University and his MPH in Health Management and Policy from the University of Michigan. He completed training in epidemiology and preventive medicine at CDC, is board certified in internal medicine and preventive medicine, and continues to serve as an active clinician at Grady Memorial Hospital in Atlanta. He has authored or coauthored approximately 80 professional publications and coedited the Guide to Community Preventive Services.

HEALTH RESOURCES AND SERVICES ADMINISTRATION (HRSA)

Willine Carr, DrPH

Pending.

VETERANS HEALTH ADMINISTRATION (VHA)

Scott Shreve, MD

Dr. Scott Shreve is the National Director of Hospice and Palliative Care Program for the Department of Veterans Affairs. He is responsible for all policy, program development, staff education and quality assurance for palliative and hospice care provided or purchased for enrolled Veterans. Dr. Shreve leads the implementation and oversight of the Comprehensive End-of-Life Care Initiative, a 3 year program to change the culture of care for Veterans at end of life and to ensure reliable access to quality end of life care. Clinically, Dr. Shreve commits half of his time to front line care of Veterans as the Medical Director and teaching attending at a 17 bed inpatient Hospice and Palliative Care Unit at the Lebanon VA Medical Center in Central Pennsylvania. Dr. Shreve is an Associate Professor of Clinical Medical at The Pennsylvania State University and has been awarded the Internal Medicine Distinguished Teaching Award in 2007 and 2009. Dr. Shreve has board certifications in Internal Medicine, Geriatrics and in Hospice and Palliative Care. Prior to medical school, Scott was a corporate banker.

ASSOCIATION OF STATE AND TERRITORIAL HEALTH OFFICERS

Paul Jarris, MD, MBA

Paul E. Jarris, MD, MBA, is Executive Director of the Association of State and Territorial Health Officials (ASTHO), a national nonprofit organization that represents public health agencies of the United States, the US territories and freely associated states, and the District of Columbia, as well as the 120,000 public health professionals these agencies employ. Dr. Jarris served as Vermont's state health official from 2003 to 2006. His past leadership positions include Medical Director for Vermont's largest nonprofit HMO, President of Vermont Permanente Medical Group and CEO of Primary Care Health Partners. He is certified by the American Board of Family Medicine and is a member of the Institute of Medicine's Board on Health Sciences Policy.
