Antitrust Compliance Statement

It is the policy of the Core Quality Measures Collaborative (CQMC) to conduct all of its activities in compliance with federal and state antitrust Laws.

During CQMC meetings and other association activities, including all informal or social discussions, each member shall refrain from discussing or exchanging competitively sensitive information with any other member.

Such information includes, but may not be limited to:
- *Prices, premiums, or reimbursement charged or paid for products or services*
- *Allocation of customers, enrollees, sales territories, sales of any product or contracts with providers*
- *Refusal to deal with any customer, class or group of customers*
- *Refusal to deal with any provider, class or group of providers*
- *What products or services will be offered to enrollees*
- *Any other competitively sensitive information that is proprietary to a member company*

If you have any questions or antitrust concerns related to CQMC programs, meetings, or activities, consult with your own counsel.

Reviewed on November 30, 2018

This call is open to the public and is being recorded.

NATIONAL QUALITY FORUM

Meeting Objectives

Update on Implementation Guide

Review and Discuss Guide

Update on Implementation Guide

Update on Implementation Guide

- Goal is user-friendly: how to's, and best practices

- Final Guide will use layout and graphics to become more user friendly

- Currently in text format for review, edit, and public comment

- Focused on use of core measures in value-based payment programs, primarily by health plans

- While keeping focus, tried to include useful information for all stakeholders.

Review and Discuss Implementation Guide

Elements of Success

- Evidence-based, filtered through practical and pragmatic lens

- Do you agree with the elements listed?

- Are there additional key success elements that are missing?

Leadership and Planning

- Do you agree with the strategies listed?

- Are there key strategies that are missing?

- What are the three most important barriers we should include in the barriers section?

- Are there additional resources we should include?

Stakeholder Engagement and Buy-In

- Do you agree with the strategies listed?

- Are there key strategies that are missing?

- What are the three most important barriers we should include in the barriers section?

- Are there additional resources we should include?

Measure Alignment

- Do you agree with the strategies listed?

- Are there key strategies that are missing?

- What are the three most important barriers we should include in the barriers section?

- Are there additional resources we should include?

Data and Quality Improvement Support

- Do you agree with the strategies listed?

- Are there key strategies that are missing?

- What are the three most important barriers we should include in the barriers section?

- Are there additional resources we should include?

Technical Considerations

- Do you agree these considerations are worth covering?

- Are there additional key considerations that are missing?

- Are there additional resources we should include?

Other Feedback

- Feedback or considerations we have not already covered?

Member and Public Comment

NATIONAL QUALITY FORUM

Next Steps

Next Steps
