# NQF Project Team

- Amy Moyer, MS, PMP, Director
- Nicolette Mehas, PharmD, Director
- Teresa Brown, MHA, Senior Manager
- Yvonne Kalumo-Banda, MS, Manager
- Adam Vidal, PMP, Project Manager
- Amy Guo, MS, Project Analyst
- Kabir Suri, Project Analyst

# Antitrust Compliance Statement

It is the policy of the Core Quality Measures Collaborative (CQMC) to conduct all of its activities in compliance with federal and state antitrust Laws.

During CQMC meetings and other association activities, including all informal or social discussions, each member shall refrain from discussing or exchanging competitively sensitive information with any other member.

Such information includes, but may not be limited to:

- ▣ *Prices, premiums, or reimbursement charged or paid for products or services*
- ▣ *Allocation of customers, enrollees, sales territories, sales of any product or contracts with providers*
- ▣ *Refusal to deal with any customer, class or group of customers*
- ▣ *Refusal to deal with any provider, class or group of providers*
- ▣ *What products or services will be offered to enrollees*
- ▣ *Any other competitively sensitive information that is proprietary to a member company*

If you have any questions or antitrust concerns related to CQMC programs, meetings, or activities, consult with your own counsel.

*Reviewed on November 30, 2018*

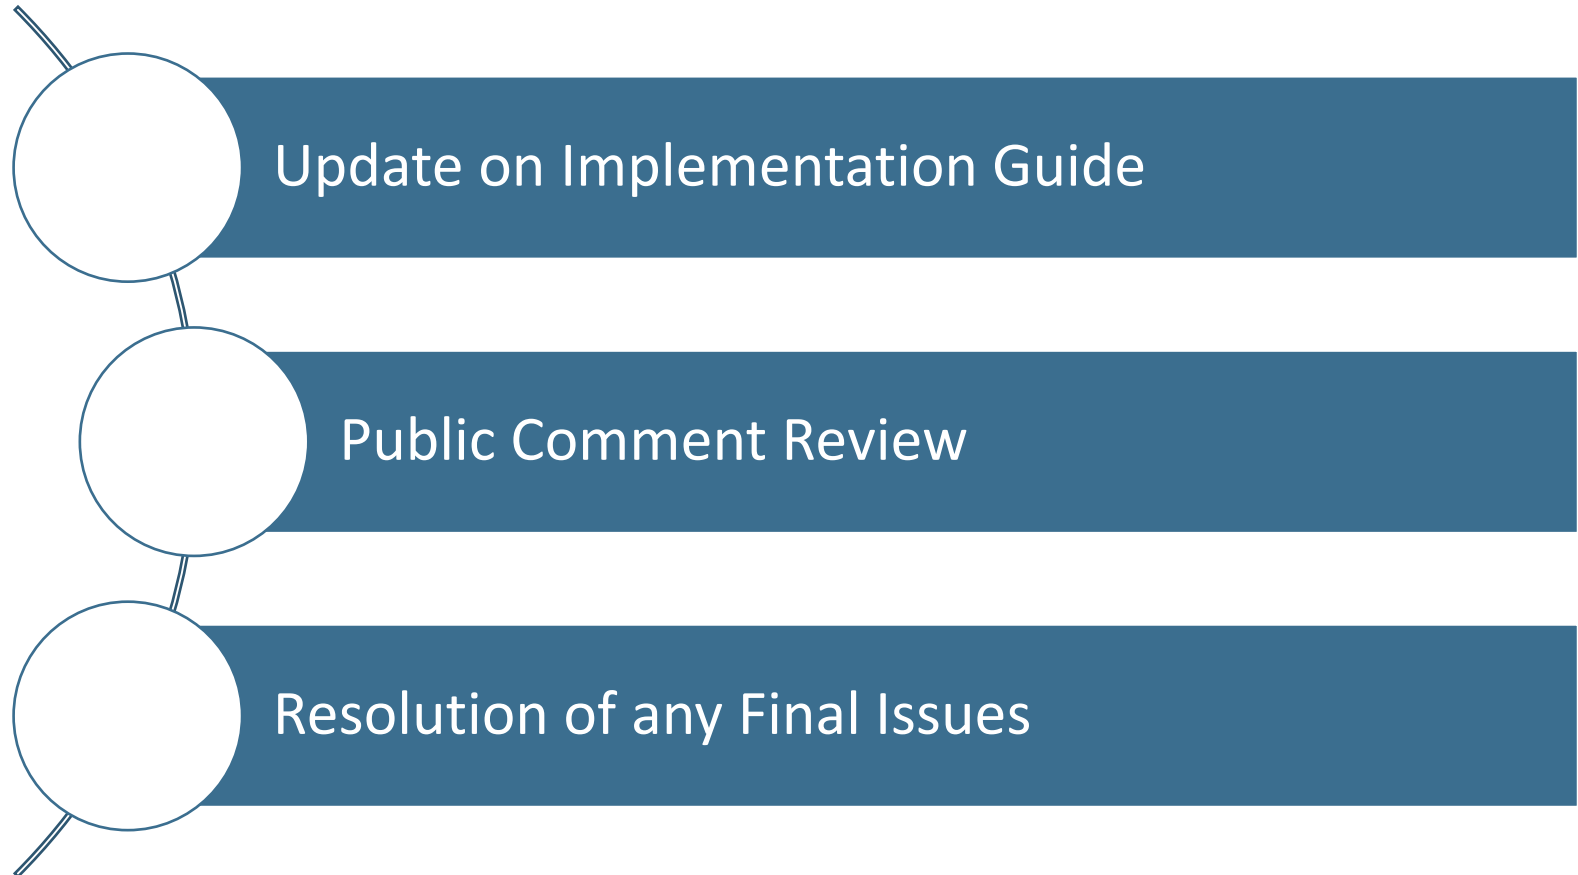

**This call is open to the public and is being recorded.**

# Funding Statement

The CQMC is a membership-driven and funded effort, with additional funding provided by CMS and AHIP.

# Meeting Objectives

# Update on Implementation Guide

# Update on Implementation Guide

- Goal is user-friendly: how to's, and best practices
- Final Guide will use layout and graphics to become more user friendly
- Currently in text format for review, edit, and public comment
- Focused on use of core measures in value-based payment programs, primarily by health plans
- While keeping focus, tried to include useful information for all stakeholders.

# Public Comment Review

# Public Comment Review

- Public Comment Window: June 29 to July 17th
- Received 23 comments from 6 organizations
- Prompts included:
  - ▣ *Data and Quality Improvement Support: Do you agree with the strategies listed? Are there additional resources that should be included?*
  - ▣ *Elements of Success: Do you agree with the four elements listed? Are there additional elements you would add?*
  - ▣ *Leadership and Planning: Do you agree with the strategies listed? Are there additional resources that should be included?*
  - ▣ *Stakeholder Engagement and Partnership: Do you agree with the strategies listed? Are there additional resources that should be included?*
  - ▣ *Measure Alignment: Do you agree with the strategies listed? Are there additional resources that should be included?*
  - ▣ *Technical Considerations: Do you agree with the considerations listed? Are there additional resources that should be included?*
  - ▣ *Other Feedback and Comments*

# Public Comment Review

# Resolution of Final Issues

# Additional Feedback

- Feedback or considerations we have not already covered?

# Member and Public Comment

# Next Steps

# Next Steps

- We will incorporate public comments and your feedback from this meeting
- Once content is finalized, we will work with our internal graphic design team to update the layout
- The Guide will be finalized and posted by August 14

# Workgroup Web Meeting Schedule

| Date                                                                            | Objectives                                                                                                                                                                                                                                                                                              |
