

### Measure Developer Workshop 2020

---

September 25, 2020

10:00 am – 2:00 pm ET

#### Participant Instructions

In an effort to improve our virtual meeting experience, we are switching to the **Zoom** platform. This meeting will be equipped with video and audio capabilities. Please visit this webpage (<https://zoom.us/download>) to download the Zoom app on a PC, Mac, Linux, iOS, or Android device. We ask that you follow the instructions to install the app **as soon as possible** and contact us if you have any issues with the installation.

**Web meeting link:** <https://zoom.us/j/97829994795>

Please note: there may be a lag or an automatic app reset immediately after you join the web meeting. This is normal and allows the NQF team to grant you video and talk capabilities.

#### Meeting Objectives

- Provide a forum for engagement and collaboration between NQF and measure developers
